## Tasman Highway – Holyman Roundabout to Midway Point Roundabout

### Traffic Delays & Pedestrian/Cyclist Path Closure

National Broadband Network cabling works will be undertaken from the Holyman roundabout (Hobart airport) to the Midway Point roundabout as detailed below.

- On Wednesday 16 and Thursday 17 September, one lane of traffic will be closed on McGees Bridge from 6.30pm to 5am. Temporary traffic signals and a 40kmh speed limit will be in place and delays of up to 10 minutes can be expected.
- From Monday 21 to Friday 25 September the pedestrian/cyclist path on the Midway Point causeway will be closed from 7.30am to 6pm.
- Speed restrictions and intermittent lane closures may also be in place from Holyman roundabout to the Midway Point causeway from Wednesday 16 September to Friday 9 October.

In the event of poor weather works may take place on following days.

Your safety is important so please drive with care and obey the traffic signs and other directions.

Any project enquiries should be directed to Andrew Barrenger, at Nu Energy on 0427 120 042.
